**A Brief Report**

Remedial Course has been started in the Academic year 2020 for F.Y.B.Sc students. At the beginning of the year Multiple Choice Questions test conducted through the Google form along with 12<sup>th</sup> standard score. Total 56 Students were participated in the test out of which 9 students who got below 50% score considered as a SLOW LEARNERS group and 7 Students who got above 75% score are considered as ADVANCED LEARNERS groups. We have delivered on the lecture for slow learner's students. Advanced learner's students were guided to take part in different online programmers such as conferences, seminars, webinars etc.

Finally, we arranged online examinations for the slow learners through Google Form.

After the arrangement of such examination, we come to the conclusion that and noticed as well that the students can brings improvement in their own subjects' knowledge.
