National Webinar-Rural Economy and Contemporary India A Brief Report- 9th July 2021

The Department of Economics of Kar. Ramraoji Aher Arts, Science and Commerce College Deola has organized National Webinar on the Theme - **Rural Economy and Contemporary India** on 9th July 2021. According to Mahatma Gandhi, True India lives in village. Agriculture is the backbone of our economy. So many changes are occurring in the domain of agriculture. So, our intention is to remain faithful to these changes and that is the main cause to select this theme for the National Webinar.

Hon.Prof. Dr. Bramhadeep Alune, OSD Higher Education Government of Madhyapradesh, was the keynote speaker of this webinar. Hon. Dr. Ramchandra G. Rasal, (Chairman, Board of Studies in Busi. Economics, Savitribai Phule Pune University and Vice Principal, Padmashree Vikhe Patil College Pravaranagar, Loni, was Chief Guest. The Chairperson of the Webinar was Hon. Bapusaheb, Principal Hitendra Aher.

Jaywant Bhadane, Head of the Department of Economics, has introduced the Chief Guests of webinar in the introductory. Vice Principal, Dr. A.B. Pawar informed the college activities and presented the progress graph.

The true authority on this subject and expert Hon Dr. Bramadeep Alune expressed his views on the subject **Mahatma Gandhi, Gramin Arthvyavstha Aur Vartaman Bharat**. He said, today, our economy is in a very dangerous condition. The arrival of the British brought down the rural economy. Gandhian thinking will strengthen the rural economy. Mahatma Gandhi gave the mantra of *Swadeshi*. He considered value education as life education and gave the principle of return to the village. We wanted to make the dream of *Gramswarajya* come true. *Swadeshi* movement, handicrafts, home industries, respect for women, non-violence was Gandhiji's action program.

Dr. Alune added, 'While giving guidance on rural economy and contemporary India, We paid attention to the cities and neglected the lives of 70 per cent of the rural population'. The breadwinner is starving. Globalization leads to the development of a handful. Laborers, farmers remains forever poor. Irrigation facilities, environmental protection, capacity building MANREGA scheme, education should be looked at carefully.

The chief guest was Dr. Ramchandra Rasal, Chairman, Board of Busi. Economics, Savitribai Phule, Pune University, while linking the economy to the plight of agriculture, said that farmers should follow the formula of "*Vikel Te Pikel*" and "Price guarantee". Dr. Rasal said farmers should unite and try to grow the goods that have a market through group farming. For this, the concept of '*Vikel to Pikel*' needs to be implemented. In an agricultural country, farmers should stand proudly. For this, efforts should be made through the Department of Agriculture to create such a chain from the farm directly to the city house. Farmers need to be organized and agriculture should be industrialized and food providers should be happy. And guarantee is important for farmers to get a fair price for their agriculture produce.

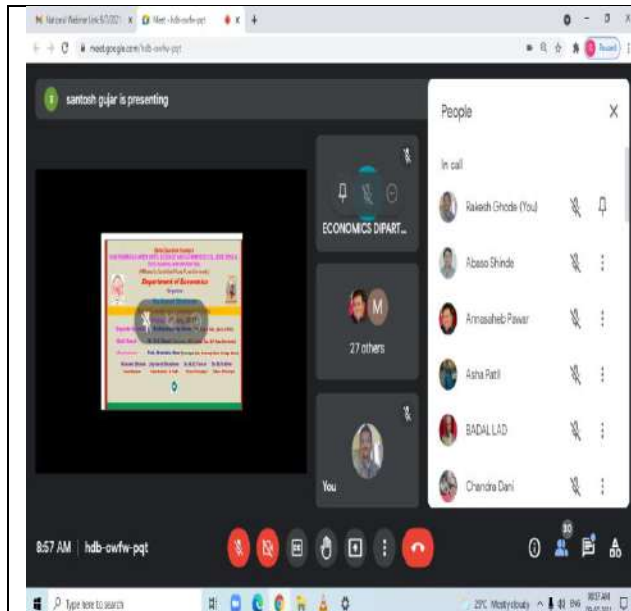

Prof. M. R. Bachhav, Department of Chemistry of our college and Prof. Dr. Gujar Sir, Padmashree Vikhe Patil College, Pravaranagar and Prof.N.R.Mali, MSG College Malegaon provided technical facilities. Vice Principal Madam Dr. M. H. Aher, IQAC Coordinator Dr. Bansode were present. A large number of professors of economics, planning experts, students, citizens were also present. Prof. Rakesh Ghode expressed his gratitude.

Brief write up on the session:

The Department of Economics of Kar. Ramraoji Aher Arts, Science and Commerce College Deola, Dist: Nashik. Organized an international webinar on the subject of 'Intellectual Property Rights: National and International Perspective' On Thursday 14th October 2021. Almost 350 Researchers and Teachers were registered all over the world. Principal Hitendra Aher presided over the program. In his presidential address, he said that such initiatives are needed for professors, researchers and students to acquire knowledge of intellectual property rights and law.

Webinar Coordinator and Head of Economics Department Jaywant Bhadane welcomed the Chairperson of the Webinar Hon. Bapusaheb, Principal Hitendra Aher, Teachers and Researchers who shower love for IPR attended the programme enthusiastically. He explained the role of Webinar and introduced the college and the speakers.

The program was inaugurated by Dr. Sambhajirao Kale, Chairman Board of Studies in Economics Savitribai Phule Pune University. He said that the attitude of the society towards intellectual property rights has changed. Intellectual property rights that deprive poor people of their basic rights in poor countries must be opposed. He emphasized the need to understand the importance of intellectual property today.

The Guest **Dr. Antonietta Elia**, Univ. of Santiago De- Compostela (Spain), International Legal Advisor of Human Rights Standards Implementation, Candidate to UN Special Rapporteur on Violence against Women (2021), was the keynote speaker. She said that any music, literary work, art, invention, symbol, name, symbol, design, sound, copyright, trademark and patent created by an individual based on his own intellect is an intellectual property. Just as an individual possesses material possessions, so does an individual possess intellectual property? We can acquire material wealth by using intellectual property. He said that research conducted by an individual under intellectual property rights is legally protected as well as encouraging innovation. International law, comparative constitutional law, Europe and union law, patents, copyright, product identification marks, brand names or slogans, trademarks, industrial design of industrial products, geographical location product identification, geographical indicators, intellectual property and human rights. Detailed information given by Dr. Elia on this occasion.

While discussing the intellectual property rights from the national perspective, Prof. Dr. S.S. Hasani, NTVS Law College, Nandurbar said that the properties of some items are determined by where they are made. Kia hand-made products, in particular, are hand-woven yarns, and if they are hand-made toys, their properties vary from place to place. Therefore, the place names of "Nagpuri" Santree, Ratnagiri "Hapus" are protected by the intellectual property of Geographical Indicators. Intellectual property, such as patents granted on new inventions, trademarks used to mark products, books, copyrights given to films, geographical indicators, industrial design, trade secrets, are more important nationally and internationally in modern times. Extensive advertising and lucrative sales of modern business have made assets in copyright, patents and designs valuable. The process of inspection and approval of patents, designs, proprietary rights and trademarks has been greatly improved recently.

On behalf of the participating delegates, Paul McAllister (USA) expressed his satisfaction with the choice of subject and its usefulness and commended the College. This international webinar of the Department of Economics was attended by professors from various states of India as well as researchers from China, Mauritius, Germany, Spain, USA and Vietnam. Vice-Principal, Professor Dr. Malatitai Aher, Prof. Dr. Suhas Avhad Sangamner, Prof. Dr. Arvind Shelar Pune, Prof. Dr. Ramchandra Rasal Pravaranagar, Co-coordinator Rakesh Ghode along with a large number of professors, staff, experts of planning and researchers were present.

Vice Principal Dr. A. B. Pawar expressed his gratitude for the usefulness of the Webinar. Prof. M. R. Bachhav and Prof. Niraj Thorat provided the technical Support.

Skill Development & Business Guidance Workshop

Karmaveer Ramraoji Aher College of Arts, Science and Commerce organized a workshop under the subject of Skill Development Program for female students under the Internal Merit Yojana. After education, everyone is looking for a job. But many times we don't get job with educational qualification. Self employment can be a good option in such situations. The term 'Self-Employment' means providing employment for oneself and earning money thereby. The number of people who take the route of self-employment without a job is actually very less. This is because the attitude towards self-employment is not so positive in the society.

Second is the lack of proper information about self-employment. And that is why employment is preferred over self-employment. If you look at it, if you get the right guidance and hard work, it is possible to achieve much more financial development through self-employment than employment. Apart from this, through self-employment, employment opportunities can be created for oneself as well as for others.

Keeping this point of view in mind, Ms. Nilambari Srikant Ahirrao gave important information about 'Art Gallery' in three sessions. She gave guidance on self-employment in the first session. After that discussed about important things for self employment. She said that learning by doing and learning to work is the best way to self-employment.

The second session of the workshop gave important information about 'Cake Making' and guided how different types of cakes are made. Also important information about flower jewellery, Kundan jewellery, chocolate making, greeting art, pooja thali, flower making, lamp making, gift packing etc. was given to the students. This instilled confidence in the students. Along with our own economic development, we can contribute to the economic development of others and through self-employment, we can live a self-sufficient life with self-respect. She created such a belief in the girl's minds. Vice Principal of the college Dr. Mrs. Malati Tai Aher, Dr. Deepika Shinde, Prof. Sarita Kunde and around 250 students were presented for the workshop. Organizer of the programme was Dr. Jaymala Chandratre (HOD, Dept.of Hindi).

5. Career Opportunities in Chemistry

Report of Webinar

Department of Chemistry, K.R.A. College, Deola, Nashik organized a **National Webinar** on "**Career Opportunities in Chemistry**" on 27th October, 2021 on Google meet as well as on YouTube platform. Around 186 participants including faculty members as well as both UG and PG students of different colleges and universities of India actively participated in the webinar.

The chair person for the webinar was Hitendra Aher, Principal, K.R.A. College, Deola. Webinar was inaugurated by Associate Professor V.M.Joshi, Head of Department of Chemistry.

The Resource person for the webinar was Prof.Dr.K.H.Kapadnis, Head of Department of Chemistry, Panchavati College, Nashik. He delivered his talk on "**Career opportunities in chemistry**". He nicely elaborated the specific topic as well as provided valuable information's on future jobs and new field areas in chemistry.

The keynote address was delivered by Prof.Dr.Malatitai Aher (Vice Principal, Deola College) on importance of science and giving guidance for students for development of new skills, knowledge in chemistry.

Vote of thanks given by Assistant Professor Niraj S.Thorat and enlightened about the webinar speech. The participants particularly the students were very motivated by hearing his particular journey in the area of chemistry.

Brief write up on the session:

The Department of Economics of Karmaveer Ramraoji Aher Arts, Science and Commerce College Deola Dist: Nashik. Here under the Government of India's National Intellectual Property Rights Awareness Mission, a state level workshop on "Intellectual Property Rights Patents and Design Filing" was organized. Thousands of Students and Teachers were registered. Principal Hitendra Aher presided over the program. He said that the workshop was useful for raising awareness among students and professors. He talked about patents, copyrights, trademarks, industrial design and geographical designation. Principal added that the NAAC Bangalore Assessment Institute has also insisted on this.

Workshop Coordinator and Head of Economics Department Jaywant Bhadane welcomed the Chairperson of the Webinar Hon. Bapusaheb, Principal Hitendra Aher, Vice Principal Dr. Aannasheb Pawar and Vice Principal Capt. Vijaykumar Joshi. Also teachers and Students who shower love for IPR as a popular subject, attended the programme enthusiastically. He explained the role of this workshop and introduced the college and the speakers.

The keynote speaker was Dr. Bharat Suryavanshi, Assistant Controller, Department of Patents and Design, Government of India, Nagpur. He discussed patents, proprietary, binding property rights in the context of industrial design. Initially, he informed the audience about the working of the patent office. He said that just as goods or money are stolen, so too do some people steal people's ideas. If someone has made a new invention, they make it their own by making the same invention or object. A patent is therefore a right granted to an individual or organization for any new service, technology, process, product or design. No one can duplicate it. Different forms for registering patents, copyright, Geographical classification etc. He also appealed to college students to take up training as a patent agent after graduation. I.P. has become more important in modern times. Intellectual property is a category of property that includes intangible creations of the human intellect.

The workshop was instrumental in raising awareness of intellectual property rights under the guidance of the Patent Office and the University Grants Commission under and also the Ministry of Commerce and Industry, Government of India. All the constituents of the college including Vice Principal Dr. Annasaheb Pawar and Vice Principal Capt. Vijaykumar Jaishi and 374 students and professors from all over the state were present for the workshop. Workshop was assisted by the Deputy Controller of the Patent Office Hon Borkar Sir. Prof. Rakesh Ghode expressed his gratitude through casting vote of thanks.

This Webinar provide an introduction for newcomers to the subject of patents and related rights. In this way the information that will get through the speech of Expert in this domain will be very useful in their future lives.

रामराव आहिर महाविद्यालयात इंटेलेक्च्युअल प्रॉपर्टी राइट्स पेटंट अँड डिझाईन फायलिंग

देवळा । प्रतिनिधी
येथील कर्मवीर रामराव आहिर महाविद्यालयाच्या अर्थशास्त्र विभागाने भारत सरकारच्या राष्ट्रीय बौद्धिक संपदा अधिकार जागृती अभियाना अंतर्गत इंटेलेक्च्युअल प्रॉपर्टी राइट्स पेटंट अँड डिझाईन फायलिंग या विषयावर राज्यस्तरीय कार्यशाळेचे आयोजन केले होते. कार्यक्रमाच्या अध्यक्षस्थानी प्राचार्य हितेंद्र आहिर होते. त्यांनी बौद्धिक संपदा अधिकाराची गरज आणि त्याविषयक कायद्यांची माहिती समाजास होणे आवश्यक असल्याचे सांगत विद्यार्थी आणि प्राध्यापकांमध्ये पेटंट, कॉपीराईट, ट्रेडमार्क, इंडस्ट्रियल डिझाईन आणि भौगोलिक मानांकन याविषयीच्या जागृतीसाठी या कार्यशाळेची उपयुक्तता प्रतिपादन केली. नॅक बेंगलोर मूल्यांकन संस्थेचाही याबाबत आग्रह असल्याचे प्राचार्य आहिर म्हणाले. कार्यशाळा समन्वयक आणि अर्थशास्त्र विभागप्रमुख जयवंत भदाणे यांनी या कार्यशाळेची भूमिका कथन करून महाविद्यालयाचा व यत्क्यांचा परिचय करून दिला.

भारत सरकारच्या पेटंट्स अँड डिझाईन विभागाने असिस्टंट कंट्रोलर डॉ. भरत सूर्यवंशी हे प्रमुख वक्तें होते. त्यांनी पेटंट, स्वामित्व, इंडस्ट्रियल डिझाईन संदर्भातल्या निर्मितीच्या प्रकारांकरून बौद्धिक संपदा हक्कांचे विवेचन केले. सुरुवातीला त्यांनी पेटंट कार्यालयाच्या कामकाजाची माहिती दिली. ते म्हणाले की, जशी वस्तूची किंवा पैसांची चोरी होते तसेच काही चोर लोकांच्या कल्पनांची चोरी करतात. एखाद्याने नवीन शोध लावला असेल तर तसाच शोध किंवा वस्तू बनवून वनवून ती आपली म्हणून सांगतात. म्हणून पेटंट हा एक असा अधिकार आहे जो एखाद्या व्यक्तीला किंवा संस्थेला कोणतीही नवीन सेवा, तांत्रिक, प्रक्रिया, उत्पादन किंवा डिझाईनसाठी दिला जातो. कोणीही त्याची नकल तयार करू शकत नाही. पेटंट रजिस्टर करण्यासाठीचे वेगवेगळे प्रपत्र, कॉपीराईट, भौगोलिक मानांकन याविषयी सूत्रबद्ध मांडणी केली. महाविद्यालयीन विद्यार्थ्यांनी पदवी घेतल्यानंतर पेटंट एजंट म्हणून प्रशिक्षण घ्यावे असे आवाहनही केले.

भारत सरकारच्या वाणिज्य आणि उद्योग मंत्रालयांतर्गत पेटंट कार्यालय आणि विद्यार्थी अनुदान आयोगाच्या मार्गदर्शनाचे बौद्धिक संपदाच्या अधिकाराच्या जाणीव जागृतीसाठी ही कार्यशाळा महत्वाची ठरली. उपप्राचार्य डॉ. ए.बी.पवार व उपप्राचार्य मेजर विजयकुमार जोशी यांचेसह महाविद्यालयाचे सर्व घटक आणि राज्यभरातून २७४ विद्यार्थी व प्राध्यापक या कार्यशाळेसाठी जोडले गेले होते. पेटंट कार्यालयाचे डेप्युटी कंट्रोलर बोरेकर यांचे मैलिक सहकार्य लाभले. प्रा. राकेश घोडे यांनी आपार मानले.
