Gender Sensitization Awareness Program arranged on the occasion of women's day

8th March, 2022

A Brief Report on Women's Day

Year-2021-22

Karmaveer Ramraoji Aher College of Arts, Science and Commerce Internal Quality Assurance Cell and Student Development Board jointly organized a Gender Sensitization Awareness Program on the occasion of Women's Day on 8th March 2022. The program was started by the chief guest Prof. Dr. Nitin Borse lighting the lamp and worshipping the frame of Kranti Jyoti Savitribai Phule. On the occasion of Women's Day, the women who took care of the responsibility of the family after the death of their husband were felicitated. Women who educated and created an ideal for the society were honored. Prof. Dr. Nitin Borse has enlighten the Gender Sensitization issue in a deep way. On this occasion Mrs. Jijabai Salve narrated the experiences of her struggling life journey. After this, the former vice- principal of the college Dr. Malti Aher guided the present students, parents and servants on the topic of need of time for equality between men and women. The distinction between men and women has been going on since ancient times. Women are still given a secondary position in the society. Today women are working shoulder to shoulder with men in every field. She has the ability to go from living in the soil to flying straight up in to the sky, but still she doesn't have the equal status in a patriarchal society. In fact, it is necessary to change the mindset of the society regarding equality between men and women. Because the physical development of men and women is different. But today women are seen to be making their place with competence. For women empowerment, women need to do their own work. Every family should have harmony between men and women. Along with formal education, women should also realize the value of life. It is said by the chief guest of the program Prof. Nitin Borse. On this occasion, Principal Hitendra Aher was the chairperson of this programme. The program was introduced by Head, Department of Hindi, and Prof. Dr. Jaymala Chandratre. Today's woman is not weak, but she is strong, capable and hardworking. She has the skills to take care of family and professional work. The government has empowered her. Similarly, she has also gained freedom. But today's woman is not independent. A woman is stronger than a man, because she has the strength to face any life-threatening situations. No matter how much pressure comes, she never succumbs to addiction. In the introduction, she expressed the view that she stands firmly in keeping with the situation.

Dr. Malti Aher, Vice Principal Dr. A. B. Pawar, Vice Principal V. M. Joshi, Vice Principal B. K. Raudal, Headmistress Mrs. Pratibha Sagar, All head of the departments, professors and students of various subjects were present. . The program was welcome by Prof. Dr. By Deepika Shinde and Student Development Board Officer Prof. Dr. S. D. Thackare concluded the programme with vote of thanks. Total 105 beneficiaries attended this program.
