

Practice 1. “Encouragement for research skill upgradation in Teacher”

A seminar was organized on "Research Methodology and Project Report Writing". Objective of the seminar was that the teachers and students should get detailed information of the research methodology. Principal Hitendra Aher was the chairperson of this Seminar. He urged them to move always towards the innovation and he also motivates to participate in research activities.

Prof. Dr. Vijay kumar Wavale, (The Director and Guide economics research center, H.P.T.), gave detailed information about the research process in a scientific manner. He described that once the problem is understood, it becomes easier to determine the objectives of the research findings. It is important to show a relationship between our goals, assumptions, and conclusions. All students and faculties were participated in this seminar. The faculties and the students were encouraged to do research and research projects. Program was concluded with vote of thanks by Prof. Rakesh Ghode.
